GALLOWAY RIDGE BEGINS EXPANSION

Galloway Ridge at Fearington, our neighbor just across the pasture, is now in Phase II of its development! This expansion will add 66 apartments, a 49 seat cinema, an expanded lounge, a library, an arts studio, a themed dining room and a salon. Of particular interest to Fearington residents is the expansion of The Duke Center For Living, which is open to residents of both communities. This expansion will update the locker rooms, add an additional massage room and create more space for outpatient therapy and physician services.
